DETAILED ACTION

Response to Arguments

1. Applicant's arguments, see Amendment, filed 10/14/04, with respect to claims 1-12 have been fully considered and are persuasive. The rejections of claims 1-12 has been withdrawn.

Reasons for Allowance

2. Claims 1-12 are allowed over the prior art of record.
3. The prior art of record does not teach "first skew correcting means which correct image data on a line basis in a sub-scanning direction based on the amount of relative inclination between the print heads; and second skew correcting means which correct the image data corrected by the first correcting means on a unit basis smaller than one line".
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably **accompany** the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
